

## Price Estimate

Wamego Health Center makes no guarantees regarding the accuracy of the pricing information provided. A final bill for services rendered at Wamego Health Center may differ substantially from the information provided, and Wamego Health Center shall not be liable for any inaccuracies.

In order to provide insured patients with the most accurate estimate based on your specific plan coverage and prospective services, fill out the form below. A representative from billing will get back to you within 48 hours.

It is important that you contact your insurance company to ensure that the services required are "covered services".

You will also need to contact your physician's office to get the specific diagnosis or procedure description.

### **What is not included in our estimates**

The estimates provided are only related to your hospital bill. Your personal physician or other physicians providing you with services related to your hospital stay or visit will bill you separately. This can include fees related to specialists, anesthesiologists, pathologists, and radiologists. Independent laboratory and radiology services will also bill you separately for reading and interpreting EKG's, X-rays, EEG's and lab work. If you have questions about those bills, please call the number printed on their statements.

Wamego Health Center offers a Pricing Estimator Hotline. In order to best process your request, it is essential to have your provider supply you with the CPT code, the actual name and spelling of the procedure, test or X-ray. Not providing this information may delay processing your request. Pricing requests may take up to two full business days to process; dependent upon the day of the week the call is received.
